

WEEK-2 EXPERIMENT

NO: 2

1. TITLE OF THE EXPERIMENT:

Design and Development of a Campus Placement Portal using HTML and CSS

2. MAPPED OUTCOMES:

- Course Outcome (CO): CO1

3. AIM:

To design and develop a multi-page Campus Placement Portal for ANITS using HTML and CSS, including Home, About, Registration, Login, Companies, Contact, and Registration Success pages.

4. PROCEDURE:

Step 1: Create the project folder and organize HTML, CSS, image, and video files into separate folders.

Step 2: Create the common header, logo, navigation bar, and footer for all webpages.

Step 3: Design the Home page with a video background, welcome message, and placement statistics. The Home page uses the video anitsav (1).mp4.

Step 4: Create the About page containing information about the ANITS Training & Placement Department and its major functions.

Step 5: Create the Registration page using HTML forms with text, password, email, telephone, date, time, select, radio, checkbox, file, color, range, URL, search, and textarea controls.

Step 6: Create the Login page with username and password fields and a Login button.

Step 7: Create the Companies page to display recruiting companies, job roles, packages, and placement statistics.

Step 8: Create the Contact page with placement-cell contact information and an embedded Google Map.

Step 9: Create the Registration Success page to display a confirmation message after successful registration.

Step 10: Apply common styling to all pages using styles/style1.css and verify the complete website in a web browser. All the supplied HTML pages reference this stylesheet.

5.CODE:

    <div class="aboutcontent">
      <h2>About the Training & Placement Department</h2>
      <p>Anil Neerukonda Institute of Technology & Sciences (ANITS) has a dedicated Training & Placement Department led by Prof. P. Padmaja and supported by 18 Faculty Coordinators. The department is committed to maximizing student placements in both software and core engineering sectors through continuous skill development and industry engagement. ANITS provides comprehensive Campus Recruitment Training (CRT) covering Quantitative Aptitude, Logical Reasoning, Verbal Reasoning, English Communication, Group Discussions, and Interview Skills. These programs are conducted by experienced in-house trainers to prepare students for campus recruitment. Recruiter feedback and alumni performance are regularly analyzed to improve training strategies and align them with industry requirements. The institute offers excellent placement infrastructure, including a 400-seat air-conditioned auditorium, computer laboratories, and examination halls accommodating over 500 students, and well-equipped interview rooms for smooth recruitment processes. Through dedicated efforts, continuous improvement, and strong collaboration with industry, ANITS has consistently achieved an excellent placement record. The institute is recognized as one of the Top Ten Most Preferred Private Engineering Colleges in Andhra Pradesh by APSCHE among more than 700 engineering institutions</p>
      <h3>Our Department Focuses On</h3>
      <ul>
        <li>Identifying employment opportunities for fresh engineering graduates</li>
        <li>Building strong industry-academia partnerships</li>
        <li>Providing comprehensive campus recruitment training programs</li>
        <li>Promoting innovation and Entrepreneurship development</li>
      </ul>

6. TECHNOLOGIES USED:

- HTML5 – Used to create the structure and different pages of the placement portal.
- CSS3 – Used for styling, layout, navigation, forms, cards, header, footer, and other visual elements.
- Multimedia – MP4 video is used on the Home page.
- Images – JPG logo is used in the website header.
- Google Maps Embed – Used to display the placement-cell location.
- Web Browser – Used to execute and test the website.

7. FOLDER STRUCTURE:

WEEK-2/

```

|
|— images/
|   └─ logo.jpg
|
|— styles/
|   └─ style1.css
|
|— videos/

```

```
| └── anitsav (1).mp4
|
|── index.html
|── about.html
|── companies.html
|── contact.html
|── login.html
|── register.html └──
success.html
```

Description:

- images/ → Contains the website logo.
- styles/ → Contains the CSS stylesheet style1.css.
- videos/ → Contains the ANITS campus video used on the Home page.
- index.html → Home page.
- about.html → Training & Placement Department information.
- companies.html → Recruiting companies and placement statistics.
- contact.html → Placement-cell contact details and map.
- login.html → Student login form.
- register.html → Student registration form.
- success.html → Registration-success page.

The supplied pages consistently use the logo from images/logo.jpg and stylesheet from styles/style1.css.

8. OUTPUT PROOF:

Output: Campus Placement Portal successfully displayed in the web browser.

7.register.html

The screenshot displays a web browser window with the title "Anil Neerukonda Institute of Technology & Sciences Campus Placement portal". The page features a navigation menu with links: Home, About, Register, Login, Companies, and Contact. The main content area is titled "Student Registration Form" and is divided into three sections: Personal Information, Academic Information, and Online Information. The Personal Information section includes fields for Full Name, Password, Email Address, Mobile Number, Age, Date of Birth, Preferred Time, and Registration Date & Time. The Academic Information section includes a Department dropdown menu, Programming Language, Gender, and Skills. The Online Information section includes Portfolio Website, Search Course, Upload Resume, Favorite Color, Programming Skill Level, and Address. A Declaration checkbox is located at the bottom of the form.

☐ I hereby declare that the information provided above is true and correct.

8. LEARNING OUTCOME / RESULT:

Successfully designed and developed a multi-page Campus Placement Portal using HTML and CSS. Learned how to create and link multiple webpages, design navigation menus, create HTML forms, use multimedia, embed maps, organize project files using folders, and apply common CSS styling.

Result: The Campus Placement Portal was successfully implemented and verified in the browser.
